Outlining staff responsibilities

GCSE controlled assessment

This document outlines staff responsibilities for the conduct of GCSE controlled assessment in Cirencester College.

This document should be read in conjunction with the guidelines contained in the JCQ publication *Instructions for conducting controlled assessments*.

Senior leadership team

- Accountable for the safe and secure conduct of controlled assessments. Ensure assessments comply with JCQ guidelines and awarding bodies' subject-specific instructions.
- At the start of the academic year, begin coordinating with heads of department/subject to schedule controlled assessments.
- Map overall resource management requirements for the year.
- As part of this resolve:
 - Any clashes/ problems over the timing or operation of controlled assessments.
 - Any issues arising from the need for particular facilities (rooms, IT networks, time out of college etc.)
- Ensure that all staff involved have a calendar of events

Heads of Faculty

- Decide on the awarding body and specification for a particular GCSE.
- Ensure that at least 40% of overall assessment (controlled and/or external assessment) is taken in the exam series in which the qualification is certificated, to satisfy the terminal assessment requirement in accordance with the awarding body specification.
- Standardise internally the marking of all teachers involved in assessing an internally assessed component.
- Ensure that individual tutors understand their responsibilities with regard to controlled assessment.

Policy for Management of Controlled Assessment | 2020/21

- Ensure that individual tutors understand the requirements of the awarding body's specification and are familiar with the relevant teachers' notes, and any other subject specific instructions.
- Where appropriate, develop new assessment tasks or contextualize sample awarding body assessment tasks to meet local circumstances, in line with awarding body specifications and control requirements.

Teaching staff

- Understand and comply with the general guidelines contained in the JCQ publication *Instructions for conducting controlled assessments*.
- Understand and comply with the awarding body specification for conducting controlled assessments, including any subject-specific instructions, teachers' notes or additional information on the awarding body's website.
- Supply to the exams office details of all unit codes for controlled assessments.
- Obtain confidential materials/tasks set by awarding bodies in sufficient time to prepare for the assessment(s) and ensure that such materials are stored securely at all times.
- Supervise assessments (at the specified level of control). Undertake the tasks required under the regulations, only permitting assistance to students as the specification allows.
- Ensure that students and supervising tutors sign authentication forms on completion of an assessment.
- Mark internally assessed components using the mark schemes provided by the awarding body. Submit marks through the exams office to the awarding body when required, keeping a record of the marks awarded.
- Retain candidates' work securely between assessment sessions (if more than one).
- Post-completion, retain candidates' work securely until the closing date for enquiries about results. In the event that an enquiry is submitted, retain candidates work securely until the outcome of the enquiry and any subsequent appeal has been conveyed to the centre.
- Ask the appropriate special educational needs coordinator (SENCO) for any assistance required for the administration and management of access arrangements.

Exams Office Staff

- Enter students for individual units, whether assessed by controlled assessment, external exam or on-screen test, before the deadline for final entries.
- Enter students' 'cash-in' codes for the terminal exam series.

Policy for Management of Controlled Assessment | 2020/21

- Where confidential materials are directly received by the exams office, to be responsible for receipt, safe storage and safe transmission, whether in CD or hard copy format.
- Download and distribute mark sheets for teaching staff to use, and collect and send mark sheets to awarding bodies before deadlines.
- Create, publish and update an internal appeals policy for controlled assessments.

- On the few occasions where controlled assessment cannot be conducted in the classroom arrange suitable accommodation where controlled assessment can be carried out, at the direction of the senior leadership team.
- Ensure access arrangements have been applied for.

Special educational needs coordinator/additional learning support

- Work with teaching staff to ensure requirements for support staff are met.

CIRENCESTER COLLEGE APPEALS PROCEDURE

In conjunction with the Student Complaints Procedure, there is an Appeals Procedure for students wishing to appeal formally against any assessment or grading they have received, including:

- Assessment procedures not properly carried out
- Assessment criteria not made clear to the student
- Grading not reflecting the assessment criteria
- General disputes relating to grades for internally assessed coursework and controlled assessments

Where a student wishes to appeal formally against an assessment, they should do so in writing to the course leader.

The course leader will then:

- Inform the Deputy Principal and Faculty Head
- Inform internal verifier, moderator or coordinator for the appropriate course

Together they will convene an Appeal Panel of course team members, this should not include any lecturer, verifier, moderator or coordinator directly involved in the original assessment decisions, although they should be made fully aware of the appeal.

The student will be informed of the outcome of their appeal within five working days of the Appeal panels meeting.

A full written record of all stages of the appeals procedure should be kept.

In some cases, final appeal will rest with the awarding body.

Data Protection

When managing a student's personal data information it will be collected in accordance with the College's data protection policy. Data collected is held securely and accessed by, and disclosed to, individuals only for the purposes of information relating to this policy. Inappropriate access or disclosure of student data constitutes a data breach and should be reported in accordance with the organisation's data protection policy immediately. It may also constitute a disciplinary offence, which will be dealt with under the College's disciplinary procedure.

Equality

As with all College Policies and Procedures due care has been taken to ensure that this policy is appropriate to all students regardless of gender, age, race, ethnicity, disability, gender identity, sexual orientation or religion/faith. The policy will be applied fairly and
